1. In accordance with reference B, and after attempts to deliver Subject documents to individual (2) of OBBA-3598 failed, the documents were delivered to individual (4) at 1420 hours on 12 August 1955. As there was no mail slot in (4)'s apartment door, the deliverer of the envelope (an enlisted man assigned to MOB) after ascertaining by hearing voices that the apartment was then occupied, propped the envelope on the door handle, rapped sharply and then departed quickly. As he reached the bottom floor of the building he heard the door open. Several attempts to deliver the documents at night failed as the apartment building was always locked.
2. For the record, there is no "Viktor" street in Munich. There is both a "Viktoria" and a "Viktoria Scheffel" street, however individual (2)'s name appears on none of the apartment doors at the given address of either of the latter two streets.
3. COS: As requested in EQMA-66799, a copy of OBBA-3598 (Zapok) is attached for your files.
